

Dear Parent/Guardian

Your son/daughter has been asked to take part in _____
_____ (event details) for Macmillan Cancer
Relief on _____ (date and time).

Macmillan fund an increasing range of services including specialist nurses and doctors, cancer care centres, information and support services, practical help at home and help with money.

There are thousands of young people affected by cancer, through friends and family members, who are not receiving the care and reassurance Macmillan can provide. With a Macmillan nurse around to provide expert help and support, a young person can learn to deal with the effects of a cancer diagnosis. Knowing their children are receiving support at such a difficult time is a huge relief to many thousands of cancer patients.

Please helps us support this vital cause by encouraging your son/daughter to take part, and helping them raise as much money as possible.

We hope that you are happy for your son/daughter to participate. If you would like to find out more about Macmillan please visit
